

For John Deere Compact & Utility Tractors
Protection You Deserve... Value You Expect

Now you can extend protection against the cost of major repairs beyond the two-year John Deere basic warranty on new tractors, with the purchase of the **PowerGard Protection Plan** extended warranty. Coverage applies to failures of covered components due to defective materials or original workmanship. You can choose either **Limited** (engine & powertrain) coverage, or the **Comprehensive** (full-machine) PowerGard coverage form.

Product Specifications

- Provides extended warranty protection on new John Deere Compact and Utility tractors with the use of only Genuine John Deere Parts in all covered repairs.
- Coverage forms available include:
 - **Limited** (Engine & Powertrain) component extended warranty protection.
 - **Comprehensive** (Full-Machine) component extended warranty protection.

All coverage forms exclude high wear and maintenance items. Check the **PowerGard Protection Plan** for more details at your local John Deere dealer.

Coverage Features

- **Low Deductibles** – for all covered repairs under the plans, you are only responsible for a **\$100** deductible (for 2000, 3000 & 4000 Series models) or **\$250** deductible (for 5000 Series models) per work order.
- **Pays 100% parts and labor** on all covered components and repairs, less the deductible.
- **PowerGard ensures only Genuine John Deere Parts are used** in all covered repairs.
- **Coverage is completely transferable** to the next owner when you sell or trade your John Deere tractor, with no transfer fees. This adds value at the time of sale or trade!
- **Coverage can be purchased anytime during the two-year basic warranty period.** Customers can purchase PowerGard Protection early in warranty and get a great low rate if purchased in the first 12 months / 1000 hours of use. After this period and out to 24 total months / 2000 hours, it can be purchased in the delayed purchase period for a surcharge. Tractor inspection and certification (with fluid testing) may be required in this delayed period.

New John Deere Tractors Eligible

- * New John Deere 2000, 3000, 4000 and 5000 series tractors are eligible for **PowerGard Protection Plan**, as long as purchased by commercial customers. Residential equipment owners are not eligible for PowerGard Protection Plan contracts.
- **PowerGard Certified used** (out-of-warranty) inspected & certified John Deere 2000, 3000, 4000 and 5000 series tractors in your local dealership's inventory may also be eligible. See your local dealer for available units and coverage term options to fit your unique needs.
- **New Tractor Coverage Terms Available** (which include the underlying 24 month / 2000 hour basic warranty) for new John Deere compact and utility tractors are:

Total Months	36	36	36	36	36	36	36	36	36	36	48	48	48	48	48	48	48	48	48	48
Total Hours	1500	2000	2500	3000	3500	4000	4500	5000	6000	7500	1500	2000	2500	3000	3500	4000	4500	5000	6000	7500

Total Months	60	60	60	60	60	60	60	60
Total Hours	1500	2000	2500	3000	3500	4000	4500	5000

The **PowerGard Protection Plan** is available only in the U.S. and Canada to commercial (non-residential) customers. For more information, call toll free **1-866-993-3373**, Option #2.
