

Power when you need it!

PowerPlan™ gives your business instant purchasing power, cash flow management, and more.

PowerPlan is the flexible financing tool that makes it easy for you to purchase parts and service, and to rent equipment. When you need repairs fast, you can use your PowerPlan Account at any John Deere construction and forestry dealership in the country.

Benefits for PowerPlan Customers:

- Maintain productivity with the convenience and flexibility of extended term financing. Our Major Purchase Option offers a fixed rate, fixed term, and fixed payments on PowerPlan purchases of parts, service, equipment, and attachments over \$3,000.
- Keep downtime to a minimum as you use PowerPlan for repairs or routine maintenance.
- Easy management of owning and operating costs.
- Access your account online for optimal control of your business.
- PurchaseTrak™, our year-end summary of purchases, will come in handy at tax time.

To apply, just visit www.PowerPlan.JohnDeereCredit.com or see your local John Deere construction and forestry dealer.
